After 10 years in the hospitality industry, I chose to transition into web development, where I thrive through creativity, problem-solving, and continuous learning. Following the successful completion of my **web integrator** training and drawing from my travel experiences, I am motivated to fully commit to your company.

ASSETS

Adaptation Teamwork

Curiosity Perseverance

Communication Autonomy

SKILLS

Fluent in English

HTML JavaScript

CSS React

SASS Redux

Git Jest

GitHub Figma

INTERESTS

Traveling alone to the ends of the world to discover new cultures and landscapes : USA, South Korea, Japan, Australia, Bali.

Attracted to art from a young age, I practice drawing and dancing, but also hiking and yoga in my spare time.
