BACHELOR DEGREE IN PERFORMING ARTS

Subjects: Art, Music, History of Cinema and Theatre, Semiotics, Narratology, Digital Culture.

After 10 years working in hospitality, I made the decision to transition into web development. I find fulfillment in the creativity, problem-solving, and the challenge of constantly learning and evolving in this fast-paced industry. Each day brings new exciting opportunities to satisfy my curiosity and fuel my newfound passion.

ASSETS

Adaptation	Teamwork
Curiosity	Perseverance
Communication	Autonomy

SKILLS

HTML	JavaScript
CSS	React
SASS	Redux
Git	Jest
GitHub	Figma

INTERESTS

Traveling alone to the ends of the world to discover new cultures and landscapes.
Attracted to art from a young age, I practice drawing and dancing, but also hiking and yoga in my spare time.
